Education

Vellore Institute of Technology, Chennai - CGPA: 8.43 **Sep. 2021 – May 2025**
B.Tech in Computer Science with specialization in Artificial Intelligence and Machine Learning *Chennai, Tamil Nadu*

Vikaasa Group of Schools, Madurai - Percentage: 91% **Apr. 2018 – May 2021**
Secondary and Higher Secondary School (ICSE & ISC) - 10th and 12th *Madurai, Tamil Nadu*

Experience

GeeksforGeeks **June 2023 – June 2024**
Technical Content Writer & Software Tester Intern *Remote*

- Developed and authored numerous articles focusing on Python modules to address real-world challenges, achieving over **50,000** views across all publications.
- Integral Member of Software Testing Team. Tested around **4 versions** of GeeksforGeeks Website.

Research Internship **January 2023 – June 2024**
Research Intern *Vellore Institute of Technology, Chennai*

- Developed innovative image classification architectures with integrated attention modules, consistently exceeding accuracy predictions, and collaborated on research papers and patents with 5+ faculty members.

Projects

VITEACH Learning App and Zoom App | *Dart, Flutter, Figma, Firebase, Firestore, Providers, Android Studio*

- VITEACH Learning App: Developed a Flutter learning app featuring daily quotes, quizzes, dark mode, and the ability to display PDFs of study materials.
- Zoom App: Developed a Flutter app with screen sharing, video sharing, and audio sharing capabilities using Jitsi.

Blog Website and E-Commerce Website | *React Js, MongoDB, Node Js, Express Js, TailwindCSS, Postman, Sanity IO*

- Blog Website: Created a blog website using React Js and Sanity IO, where users can add pictures, and new blogs, delete them using CRUD operations, and store them in the database.
- E-commerce: Designed a website with stripe payments and learned how to effectively handle errors that can occur in a website.

Apple iPhone 15 and Portfolio Website | *React Js, Three JS, React three Fiber, Sentry, GSAP, Framer Motion*

- Apple iPhone 15 Website: Recreated the Apple iPhone 15 website, incorporating detailed 3D models and advanced features such as interactive model viewing, responsive design, and video rendering to enhance user experience. Utilized Sentry for monitoring and improving application performance.
- Portfolio Website: Crafted a responsive 3D portfolio utilizing GLTF models to showcase my projects.

Medical Prescription Handwriting Recognition System and Reminder Website | *YOLOv8, Python, Flask, Twilio*

- Developed functionality to convert handwritten medical prescriptions into digital formats for improved readability and medicine identification.
- Integrated Twilio's messaging capabilities to provide reminder features, enhancing user convenience and adherence to medication schedules.

Technical & Non-Technical Skills

Languages: Java, Python, Dart, C++, HTML/CSS, JavaScript, SQL/NO-SQL, C
Developer Tools: Git/GitHub, Figma, Docker, Selenium, VS Code, Firebase, Microsoft Azure Platform, Android Studio, X Code, Postman, VMware
Technologies/Frameworks: Flutter, Bootstrap, TailwindCSS, React Js, Express Js, Node Js, MongoDB, MySQL, Vite, Sanity IO, Prisma, Redux, Three Js, Framer Motion, GSAP, React Three Fiber, Flask, Material UI, Arduino, WordPress, Tensorflow, Pytorch, Scikit-learn, Keras, Pandas
Certifications: Microsoft Azure AI Fundamentals (AI - 900), Microsoft Azure Administrator (AZ - 104), AWS Certified Cloud Practitioner (CLF - 02), Forests and their Management (NPTEL) and E-Business (NPTEL)
Volunteered: Actively participated as a member in various departments across 15+ clubs within the institution, and contributed to both technical and non-technical festivals as an internal member.

Leadership / Extracurricular

VITEACH **Summer 2023 - Spring 2024**
Head of Design,Video Editing and App Development - ***Core Committee*** *Vellore Institute of Technology, Chennai*

- Created 50+ designs and video edits, expanding potential reach significantly.
- Led development of a Flutter app, integrating my UI/UX design and collaborating with a team of three for seamless functionality.
- Successfully managed a team of over 20 volunteers, achieving the highest volunteer participation in the organization's history.
